PRESIDENT'S MESSAGE

Happy New Year Friends,

Hope everyone had a chance to enjoy some time off and rejuvenate this past holiday season.

Has anyone made a new-year resolution? I certainly did, I want to be more organized this year and would like to help increase membership of our ISA Sarnia section. If you have made any resolution, make ISA a part of that, attend at least 2-3 section activities / meetings this year. I promise, it will only help your professional carrier and you will have fun too. Keep tuned up with announcement throughout the year for upcoming events & program.

If exercising and being fit is your resolution this new-year then you owe it to yourself to attend upcoming coming Dinner Meeting on January 30. Dr. John Vargo will be our guest speaker. John has an impressive bio. He was part of medical team for Pan American & Commonwealth games. He is a sports injury consultant for many professional athletes in the NHL, NFL and Track and Field. Come & join us to know how to stay fit, play safe & be injury free.

Our section education committee is planning interesting training sessions this year. They recently sent out a survey through which they gathered some valuable insights as to what type of training courses our membership would like to see offered. Expect to see some this year 2017 from our education committee.

This year will also feature our most attended and sought after membership activity, a Table Top show. The show is scheduled for Tuesday - April 4, 2017 at the Holiday Inn Sarnia. With product displays from over 75 vendors, show will also feature some technical seminars. Our show committee is hard at work finalizing all the details, stay tuned and keep checking www.isasarnia.com for latest news on the show.

If you want to receive our section updates via regular emails then please contact our Web & Electronic Communication Chair, Christy Alexander at sarniaisa@gmail.com and she will be more than happy to add you on our list.

I want to remind you again of a membership drive this year. Our membership & marketing committee had kicked off a membership drive and I would like to request all of you to help them by encouraging your colleagues/friends to join ISA. There are many advantages of becoming a member and our Membership & Marketing Committee Rob Dickson & Brian Smith would be more than happy to work with you/prospective member and explain in details.

I wish that new-year brings good health, peace, prosperity & joy to you and your family.
Have a Great year ahead everyone!
