President's Message

Presidents Message

Happy New Year!!

Greetings to Everyone

We look forward to this New Year to further pursue the goals set before us.

With renewed enthusiasm from the Festive holidays, we can now work on more meetings, shows, competitions, awards, golf tournament, reference guide, etc. to bring us together and further our fellowship.

Our work life will always take first calling, however working with this Sarnia Section and others in the society is a great pleasure and I am hoping some new people will come forward and share their time, information and ideas with us.

So far this 2011-2012, we have had good turnouts to our meetings with interesting speakers and interaction. This meeting we will hear from Sarnia Lambton Economic Partnership General Manager, George Mallay, talking on the future economic prospects in our area.

Make a plan to attend our meeting and enjoy our one-of-a-kind atmosphere of friends and peers putting automation foremost into the future.

Besides, What else do you have to do on a Monday night in January?

See you there!

Best regards,

Rob Dickson
President
