Phone: 519-336-3006; Fax: 519-344-0607 Email: mlynas@avensys.com

*For special dietary needs contact Hilda White at SGCC 48 hours prior to the meeting,
Phone: 519-336-2201

NOTE: All Members and guests are requested to reserve in advance.

Presidents Message

It's Show Time !

The ISA Sarnia Section Exhibits & Technical Conference 2009 is fast approaching. The Sarnia ISA Show is the premier event for automation, instrumentation, systems and controls professionals in all of Southwestern Ontario. The big day is Tuesday, 24 February, and the Holiday Inn Point Edward is the place. The exhibit halls will be open for viewing from 12:00 noon to 7:00p.m. Technical Seminars will be held in the morning, beginning prior to the opening of the exhibits. Our ISA Show 2009 will be bigger than ever this year, so please be sure to attend and support our local businesses.

ISA Sarnia Section has had quite a busy autumn, with a couple of well-attended general Dinner Meetings already completed. Our new Program Chair, Sam Falladown is doing a great job at organizing our dinners and events. Well done Sam!

I want to extend congratulations to our ISA Sarnia Student Section, who attended the International Student Competition in Houston in October, where they succeeded in bringing home some "Silver ware". Congratulations are also again due to others who brought home awards from Houston in October, such as "Corporate Winner" (small businesses), Summit Controls, and of course, our own Randy Dennie, who was one of only three persons worldwide awarded an "ISA Golden Achievement Award" for 2007-2008. Finally, we can say we are all winners, since our own ISA Sarnia Section once again was the winner of the "Best Section" of 2007-2008, (for small, gold sections).

In closing, I want to extend my best seasonal wishes to everyone in our "great little community" that is the home of the ISA Sarnia Section. At "milestone moments", such as the end of one year and the beginning of the next, we can all reflect upon the fact that we are very fortunate to live and work in a place that is peaceful, prosperous, industrious and progressive. While we doubtless face hardships ahead, due to global economic turmoil, we can feel confident knowing that there is no better place to shelter from that storm, than in our own community of Sarnia-Lambton.

Sincerely,
Brian Davidson

Being an ISA member has its rewards

Congratulations!

Latest book winner, **Bill Mackellar** of Fredericton N.B., has selected the Instrument Engineer's Handbook Volume 1. Presented to Bill's co-worker Josh Irwin of Sarnia by Brian Smith, Membership Chair (left).

Remember to renew your membership! ...

ISA Sarnia Show 2009

Expand your network of professionals

Tuesday, February 24, 2009

Noon to 7:00 PM
