President's Message

Presidents Message

Hello to Everyone,

Spring is the best time of year to reflect on your accomplishments and put into action events and plans for the summer and beyond.

Sarnia Section has been very busy with the Tabletop Show, Reference Guide delivery, Science Fair judging, and the Lambton College Scholarship presentation. On the horizon is the District 13 - District Leader's Convention in Saguenay QC. – May 3 4 5, our Annual Awards Night (Duc d'Orleans Cruise Boat) – May 27th and the Annual Golf Tournament (St Clair Parkway Golf Club) – June 7th . Thanks to all who gave and give of their time to ensure these events go off successfully.

May is the month that has the Awards Night as our final General Meeting of the year. For a change and being able to take advantage of an opportunity, we will be putting everyone on board the Duc d'Orleans cruise boat and going downriver to The River Crab for dinner and have the Award Ceremony on the boat! I am compiling a list of attendees to be pre-qualified for landing permits. Register you and your guest's name with me to ensure your reservation.

This year marks the end of my two year term as President of Sarnia Section. Mr. Mike Murray will be taking over the driver's seat at the end of June. I wish to thank everyone on the executive and in the membership for your support and input to help keep our section active and interesting. Without your involvement we would not be able to offer quality meetings or support the development of future ISA members. My experience as President has allowed me to network with many quality people making a difference in the automation and process control world, and has been a complete pleasure. Please feel free to contact me anytime regarding ISA events and involvement.

I cannot encourage the membership enough to join, attend, bring a friend/colleague to ISA. We have had great attendance to our meetings and wish to continue.

See you on the river!

Rob Dickson - President ISA Sarnia Section
