## PRESENTATION

### David W. Moody – Professional Bio

David grew up working in the family automotive repair and service station business in London Ontario. He then spent over 30 years in Commercial Banking specializing in Commercial and Agricultural finance and financial planning in many communities of Southern Ontario. He joined the Sarnia-Lambton Economic Partnership (SLEP) in May 2009 as Project Leader – Business Growth Services. In this role he assists small to medium sized enterprises throughout Lambton County with their survival, growth, expansion and succession plans.

One of his first projects with SLEP lead to the creation of the Sarnia Lambton Industrial Alliance (SLIA). SLIA has been active in the community since 2010, was incorporated as a “not-for-profit” industry support group in 2012 and currently has approx. 35 member companies. He serves as Secretary-Treasurer of SLIA on a volunteer basis.

David received a Masters of Business Administration (MBA) degree from Dalhousie University in 2009, is a Professional Financial Planner (PFP), and has Financial Management Advisor (FMA) and Fellow of the Canadian Securities Institute (FCSI) designations.

## NOTICE

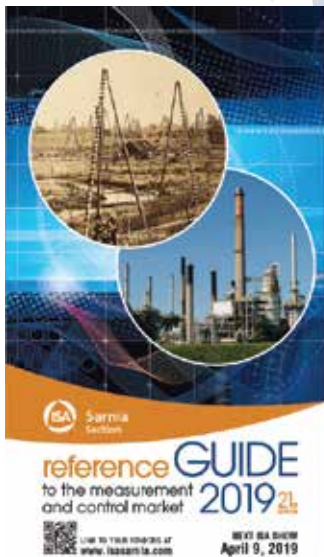

The ISA Sarnia Section Show Committee extends to you invitation to attend the upcoming Table Top Show.

The show will be held on Tuesday, April 09, 2019 from 11 AM to 6 PM at the Holiday Inn, Point Edward, Ontario.

The show will feature latest products & technology in the field of Instrumentation, Controls, Valves and Networking & Communications. You will also enjoy educational seminars and a complimentary lunch for attending. Visit [www.isasarnia.com](http://www.isasarnia.com) for more information.

If you are interested in exhibiting your products & services at the show, contact our Show Chair Kalpen Vachharajani at [kalpenv@provincialcontrols.com](mailto:kalpenv@provincialcontrols.com)

**2019 Reference Guide is available for distribution and can be picked up at the following locations:**

**Kevin Noon | Emerson | 581 Vidal St. South | 519.331.7679**  
**Lakeside Process Controls | 581 Vidal St. South | 519.332.2300**  
**Provincial Controls | 864 Phillips St. | 519.336.7301**

**For information about the Guide or to add your advertisement page, please contact:**

**Grafiks Marketing and Communication**  
**[www.grafiks.com](http://www.grafiks.com) | 519.336.5230**

## PRESIDENT'S MESSAGE

Happy New Year everyone;

I hope everyone has had a safe and relaxing Christmas and New Year and are looking forward to 2019 and all of the new ventures that we will all be taking part in.

As for our Section we are looking at doing a first time tour of our water treatment plant in February which should prove out to be quite interesting. A place we always go by but never get to go inside for a looksee. I am looking forward to the tour. See Ted or anyone of our Executive if you are interested, have any questions or wish to sign up.

Our ISA Sarnia Section Reference Guide to the Measurement and Control Market for 2019 our twenty first edition has arrived. If you have not gotten one see any of your executive and they will see that you get a copy. If you require a few you may pick up additional copies from Kevin Noon at Emerson Process Management which is located in the valley and he can be reached at 519-332-3132. The executive will make some available at all member dinner meetings and events. Thanks again to all the vendors who have participated in its production and still see it as a worthwhile product that

they should participate in. We make sure that it gets to as many people as we can and of course we have it on our Section website.

Other Section activities to focus on:

The Lambton County Science Fair is to be held on April 05 & 06, 2019 at Lambton College. Kalpen will be the section champion on this event and will require volunteer judges. More information will be forthcoming.

Our ISA Section table top show will be held on Tuesday April 9, 2019 at the Holiday Inn. Kalpen will be sending out the vendor information shortly.

We also have the District 13 Leadership Conference tentatively scheduled for May 3rd-5th in Montreal. This will be confirmed shortly.

Our Section AGM will be on May 27th. The venue is still to be determined and will be announced.

Our Section Golf tournament will be on June 07, 2019 at the Mooretown, St. Clair Parkway Golf Course. Here again more information to come when the committee kicks it off.

Our goals and our plans remain as a guide for us doing our business and with our member and vendor base continually fluctuating we just have to adjust accordingly.

Our key to our ISA Section success still as always is you our Section members. All with dedication, common interests and a belief in Instrumentation and Automation and the discipline that is required to grow into the future. Our technology is truly wide open and who knows what tomorrow will bring.

I will continue to repeat that if you have any topic ideas for speakers please forward to our program chair. He can use any assistance in providing an interesting, current and enjoyable speaker and topic to fill the dinner meetings, step up and let us know.

As always any comments or concerns please let your Executive know. Remember any unspoken ideas or concerns are wasted thoughts unless we inform and act on them.

Thank you

Mike Murray
