Are you looking for an activity to meet the Continuing Professional Development (CPD) requirements of your O.A.C.E.T.T or P.E.O. membership? Volunteering your time, in a Technical Association or Society such as ISA will meet these requirements. As a member of the ISA Sarnia executive you would be using your professional knowledge to improve and enhance the membership of our local chapter. ## PRESIDENT'S MESSAGE

Welcome to March;

Just a few notes as we embark on the remaining months of our 2019-2020 year we are still as always looking for new members, executives and committee assistance.

Any member working with peers ask them why they do not choose to join the ISA, challenge their reply and invite them out to the next member dinner meeting. I am sure that they will enjoy the experience.

A few items of interest; Lambton College academic awards ceremony on March 27; Lambton County Science Fair April 3-4; field trip of the Greenfield South Power Plant on April 20; ISA Society will celebrate its

75th Anniversary on April 28; District 13 DLC will be in Toronto on May 2-3; our AGM cruise will be on June 1st this year and our golf tournament will be on June 5th. Looking forward to seeing you at some or all of these events.

As always if you have any topic ideas for speakers please forward to our program chair. He can use any assistance in providing an interesting, current and enjoyable speaker to fill the dinner meetings, step up and let us know.
