PRESIDENT'S MESSAGE

Happy New Year Friends,

Wow, it feels like I just blinked and the Year 2021 has passed. If anything, 2021 proves that time also fly when you are not having fun!! Anyway, I hope everyone had a chance to enjoy some time off and rejuvenate this past holiday season.

Has anyone made a new-year resolution? I certainly did, I want to be more organized this year and would like to help increase membership of our ISA Sarnia section. If you have made any resolution, make ISA a part of that, attend at least 2-3 section activities / meetings this year. I promise, it will only help your professional carrier and you will have fun too. Keep tuned up with announcements throughout the year for upcoming events & program.

Unfortunately, this new Covid strain has put us back in to "Stage 2" mode means no indoor dining and other restrictions so Sarnia Section committee has decided to switch the January 31 Dinner meeting to Virtual mode. Please look at our website and email announcement for exact log-in details. Please make sure to log-in and support your section efforts.

This year will also feature our most attended and sought after membership activity, a Table Top show. Section Show Chair, Mirko Pepe, along with his Show committee members is hard at work finalizing all the details, stay tuned and keep checking www.isasarnia.com & email announcement. Show will feature product displays & technical seminars from leading manufacturers & experts of our industry.

We are always open for suggestions for planning programs, technical topics for dinner meetings, plant tours, educational seminars, social activities etc. Have you say in your section programming, contact any of the executive/committee members and share your thoughts.

I wish that new-year brings good health, peace, prosperity & joy to you and your family. Have a Great year ahead everyone! Looking forward to a chance to speak with many of you at various section activities this year.
