PRESIDENT'S MESSAGE

ISA Sarnia President's Message – September 2022

Greetings Friends,

I would like to welcome everyone back and hope you enjoyed your summer. This September's dinner meeting is special, and we will be celebrating our 75th year as an ISA Section. This is a good time to look back on where we have come from and celebrate our accomplishments. As ISA has evolved so too has our section. I took the opportunity to look back through some of the old ISA Annunciators posted on our website and it helps to give some perspective to this event. As much as things have changed many things remain the same. We have always been looking for new members and new volunteers to help. The benefits of being a member have pretty much stayed the same.

It is important to stay connected and to stay up to date with technology and the world around us. Even though the Internet of Things has made that much easier, the benefits of just getting to know other people who have the same interests and do the same things is still an important aspect of our careers. A wise man once told me "It is not who you know, it is who knows you that is important" Those words have stuck with me, and I think that is an important aspect of what ISA has to offer and is still relevant in today's world.

I encourage everyone to check out ISA Connect if you haven't done so already.

– <https://connect.isa.org/home>

Also, our Sarnia Website is a great resource for reference as well.

– <https://isasarnia.com/>

I would also like to express my appreciation for all the other members of the ISA Executive Committee who's experience and support I will be relying on heavily in my first year in this role.

I look forward to seeing everyone at this month's dinner meeting, bring a friend and encourage others to attend.

Best Regards,

Dave Woodill
