PRESIDENT'S MESSAGE

ISA Sarnia President's Message – January 2023

Greetings Friends,

Welcome back everyone.

Welcome back everyone. Hopefully 2023 brings more opportunities to get together again. With some significant milestones behind us we look forward to what comes next. We have made some good in roads in bringing back our student section at Lambton College (thanks Kalpen) and hope to see many more students at our meetings and events. Investing in our youth is the most important thing I feel that we can do to ensure future growth of not just ISA but Sarnia in general. Happy New Year Everyone and I hope to see you at more of our dinners and events.

Best Regards,

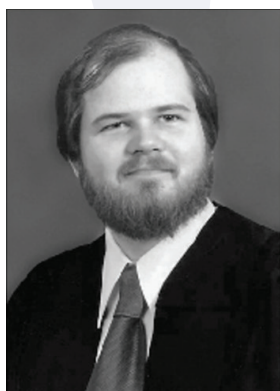

Dave Woodill
