PRESENTATION

Elizabeth Koenig

Presentation Topic: Understanding Harmonics

Understanding Harmonics designed to give you a broad understanding of harmonic mitigation techniques to help maximize equipment uptime, extend the life of equipment, and reduce overall operating costs.

NOTICE

ISA Table Top Show

ISA Sarnia will be hosting another ISA Table Top Show this year to get us back on track with our odd-year shows schedule. The Table Top Show will be October 17th at the Sunbridge Hotel, Point Edward between 11AM and 6 PM. Setup will be the previous evening. For sign-up and more information, please contact Mirko Pepe at mirko.pepe@intertec-inst.com. Please note that space is limited.

PRESIDENT'S MESSAGE

ISA Sarnia President's Message – March 2023

Welcome back everyone.

Welcome everyone to our spring meeting, although as I write this, things are not very spring like. Our 2023 reference guide is now available, grab yours today. Thanks to everyone who helped produce our Reference Guide, as always it is an excellent product. Our January dinner meeting was very well attended and we had a large group of Lambton College Students. I'm happy to see our Student Section picking back up again and we look forward to seeing more students attend in the future. There are plenty of things coming up this spring, like the Lambton County Science Fair. If you are interested in being one of the ISA Judges on Friday March 31st please contact myself or Kalpen (or any member of the executive committee).

Best Regards,

Dave Woodill

President – ISA Sarnia Section
