PRESENTATION

The A+ presentation will cover the most utilized products in the product portfolio supporting the Process and Refining Industry. These products are utilized in both gas and liquid applications to help remove particulates and contaminants in order to protect different Analyzers. The presentation will also discuss the ACES (Analytically Correct Engineered Systems). These sample extraction and preconditioning systems can be tailored for both gas and liquid applications at the sample tap.

Vincent Argrave is a graduate of LSU. Regional Sales Manager at A+ for 10 years supporting Canada, Mexico and the Eastern US. *Geaux Tigers.*

PRESIDENT'S MESSAGE

ISA Sarnia President's Message – January 2025

Happy New Year to our ISA Sarnia group, and I hope you enjoyed the holidays!

2024 was a successful year with a return to Duc cruising this past May, another great golf tournament in June, and several wonderful dinner meetings at Wagg's Steak and Seafood Restaurant.

2025 will be eventful with the ISA table top show returning in the Fall. This event will be an exciting new format with the show held at Lambton College, and student competitions in tandem with the vendor tabletop exhibition. Also look for the latest edition of our ISA Sarnia Reference Guide coming soon.

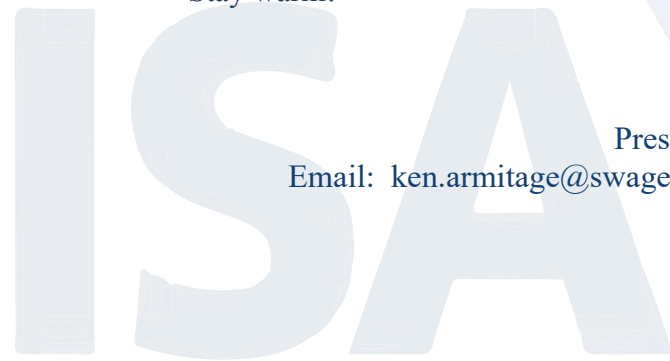

Stay warm!

Best Regards,

Ken Armitage

President – ISA Sarnia Section
